TERMS AND CONDITIONS OF SALE

1. This is a public auction sale conducted in California, by bonded Auctioneers. The bonded Auctioneer is Superior Galleries, Inc. (hereinafter referred to as Auctioneer and at times as Superior).
2. Bidding in this sale constitutes acceptance by you of all the Terms and Conditions of Sale stated herein, (Bidder). Bidders include Consignors who retain their lots pursuant to their consignment agreement with Superior.
3. Superior reserves the right to include in any auction sale its own material as well as material from affiliated or related companies, principals, officers or employees. Superior may have direct or indirect interests in these, or other items, and may collect commissions. THIS PARAGRAPH SHALL BE DEEMED A PART OF THE DESCRIPTION OF ALL LOTS CONTAINED IN THE CATALOGUE.
4. Bidder acknowledges as follows: Grading is an art and not a science. The grade and estimated value herein represents the opinion of Superior or its Consignor(s). It is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and will most likely continue to do so in the future. Each Bidder's own examination of the item(s) is the criterion and not the grade represented by another. Every effort is made by Superior to determine provenance and authenticity. It is the Bidder's responsibility to arrive at a final conclusion prior to bidding. In any purchase or sale, the value of the item(s) is determined by the price. **THE BIDDER HEREBY ASSUMES ALL RISKS OF VALUE CONCERNING ANY AND ALL PURCHASES.**
5. Pursuant to a separate agreement with Superior, Consignors or their agents may be permitted to bid on their own lots in the sale and may receive a rebate commission in whole or part if successful. Where the Consignor has re-purchased a lot and the lot is either returned to the Consignor or otherwise dealt with or disposed of in accordance with the Consignor's direction, or pursuant to contractual agreement, Superior reserves the right to so note in the prices realized or to omit a price from the price realized.
6. Superior may at its sole and absolute discretion, make loans or advances to Consignors and/or Bidders.
7. Superior may bid for its own account at any auction. Bidder acknowledges and agrees that Superior may not be required to pay a Buyer's Commission, or other charges that other Bidders may be required to pay and may have access to information concerning the lot(s) that is not otherwise available to the public. Any claimed conflict of interest or claimed competitive advantage resulting therefrom is expressly waived by all participants in the Sale.
8. Lot(s) may carry a Reserve. A Reserve is a confidential price or bid below which the Auctioneer will not sell an item or will re-purchase on behalf of the Consignor or for Superior. Estimates given are for the general guidance of the bidder and represent the opinion of the auctioneer as the fair market value of the numismatic item at the time of cataloging, based on experience and comparable sale, if applicable. The price realized may be higher, or lower than the estimate. If a lot is reserved, the reserve may not exceed the maximum estimated price.
9. The Auctioneer may open or accept the bidding on any lot by placing a bid on behalf of the Consignor or his or her agent; a Bidder by mail, telephone or telefax; or any other participant in the Sale. The Auctioneer may accept or decline any bid, challenge to any bid or bidding increment, as the Auctioneer in their sole discretion shall determine. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up unless otherwise permitted by the Auctioneer. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.
10. All material shall be sold in separate lots to the highest Bidder as determined by the Auctioneer. If any dispute arises, Auctioneer shall have the right to rescind the acceptance of the bid and place the lot(s) for Sale again. Auctioneer's decision shall be final. For the Mail Bidder's protection, no unlimited or buy bids will be accepted.
11. When identical bids are received for a lot, preference is given to the first bid received as determined by the Auctioneer. A mail bid will take precedence over an identical floor bid; a Floor Bidder and Telephone Bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid, to reduce any mail bid received, to open the bidding of a lot at any level deemed appropriate by the Auctioneer and to determine the prevailing bid, at his sole discretion.
12. All persons seeking to bid must have a catalogue and register to bid at the auction by completing a registration card or bid sheet. By submitting a bid, the Bidder acknowledges receipt of the catalogue. The Bidder further acknowledges that Bidder has read the Terms and Conditions of Sale, the descriptions for the lot(s) on which they have bid, and that they agree to adhere to these Terms and Conditions of Sale. This agreement shall be deemed to have been made in California. The Bidder acknowledges that the invoice describing a lot by number incorporates the catalogue and Terms and Conditions of Sale.
13. A Buyer's Commission of fifteen percent (15%) on each individual lot will be added to all purchases made by non-internet Bidders in its live rare coin auctions, and nineteen and a half percent (19.5%) in its live jewelry, timepiece and other collectibles auctions, except for reacquisitions by Consignors, regardless of affiliation with any group or organization, and will be based upon the total amount of the final bid. A reacquisition charge may apply to Consignors pursuant to a separate agreement, which may be higher or lower than the Buyer's Commission. **Please note that the minimum buyer's premium is \$9.00 per lot and that the minimum shipping charge is \$25.00. A Buyer's Commission of twenty percent (20%) will be added to all successful bids made via Ebay (www.ebay.com) and/or EbayLiveAuctions (www.ebayliveauctions.com). Internet bids made through Superior's website (www.sgbh.com) will be charged a fifteen percent (15%) Buyer's Commission.**
14. Unless otherwise agreed in writing, auction sales are strictly cash in U.S. funds payable through a bank in the United States. On any cash transaction or series of transactions exceeding 10,000, Treasury Form 8300 will be filed. Contact Superior for wiring instructions before sending a wire. Lots must be paid for the earlier of receipt of invoice or delivery. Superior reserves the right to decline to release lots for which good funds have not yet been received. On any accounts past due, Superior reserves the right to extend credit and impose periodic charges. Bidder agrees to pay reasonable attorneys' fees and costs incurred to collect on such past due accounts.
15. Payment by credit card will be accepted up to 10,000 from non-dealers only. We will not accept payment via credit card for any purchases over 10,000. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the Terms and Conditions of Sale herein and agrees to be bound thereby on behalf of the Bidder.
16. Bidders personally and unconditionally guarantee payment that is or becomes owed to Superior. If a corporation is the Bidder, the corporate representative present at the sale shall provide Superior at the time of registration with a statement signed by each principal, director and officer that they each personally and unconditionally guarantee any and all current or future obligations owed to Superior.

It is unlawful and illegal for Bidders to collude, pool, or agree with another Bidder to pay less than the fair value for lot(s). Bidders in the Sale acknowledge that the law provides for substantial penalties in the form of treble damages and attorneys' fees and costs for those who violate these provisions.

TERMS AND CONDITIONS OF SALE CONTINUED

16. Bidders who have not established credit with Superior must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that Auction Sale session(s) or such other amounts as Superior may, in its sole and absolute discretion, require before such bids will be accepted. Deposits submitted will be applied to purchases. Any remaining deposits will be promptly refunded, upon clearance of the funds.
17. ELITE AUCTIONS: AUCTION SALES ARE NOT ON APPROVAL. No certified coins may be returned because of possible differences of opinion with respect to the grade offered by any third-party certification service. No guarantee of grade or value is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a successful bidder, who did not bid from the floor, may request Auctioneer to evaluate the possibility of voiding a sale; requests to evaluate possibly voiding and auction sale must be made in writing detailing the alleged gross error, and submission of the lot to the Auctioneer for evaluation must be pre-approved by the Auctioneer; bidder must notify Superior Galleries, Inc. in writing of the such request and such notice must be mailed within three (3) days of the mail bidder's receipt of the lot. Lots submitted for evaluation must be in our offices within 30 days after Auction. Grading or method of manufacture do not constitute grounds for evaluation, nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must remain intact in the original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others). Late payment for purchases may be considered just cause to revoke all return privileges.
- MONTHLY COLLECTORS AUCTIONS: THREE (3) DAY RETURN POLICY. All lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege. Lots may be returned under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by phone (1-800-545-1001) or e-mail (info@sgbh.com), and immediately mail the lot(s) fully insured to the attention of Auction Returns, Superior Galleries of Beverly Hills, 9478 W Olympic Blvd, Beverly Hills, CA 90212. Lots must remain intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A return fee of 5% of the purchase price (10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late payment for purchases revokes all Return-Restock privileges.
18. All prospective Bidders who have had the opportunity to examine the lot(s) prior to the Auction Sale, personally assume all responsibility for any damage that Bidder causes while handling or examining lot(s). Superior shall have sole discretion in determining the value of the damage caused, which shall be promptly paid by the prospective Bidder.
19. SUPERIOR IS NOT RESPONSIBLE FOR ANY ERRORS IN BIDDING. A Bidder should make certain to bid on the correct lot and that the bid is the maximum plus the Buyer's Commission that he or she is willing and able to pay [15% for non-internet bids in its live rare coin auctions and 19.5% in its live jewelry, timepiece and other collectible auction. Twenty percent (20%) will be added to all successful bids in its live rare coin auctions, and twenty four and a half percent (24.5%) in its live jewelry, timepiece and other collectibles auctions made via Ebay (www.ebay.com) and/or EbayLiveAuctions (www.ebayliveauctions.com).] Once the hammer has fallen and the Auctioneer has announced the winning Bidder, the Bidder is unconditionally bound to pay for the lot, even if the Bidder has made a mistake.
20. Superior will not assume responsibility for the shipping and packaging of certain larger items or items of a more fragile nature sold in this sale as determined by Superior. It is the Bidder's responsibility to contact Superior after the sale to make shipping and packaging arrangements. Due to the fragile nature of some lots, Superior may be forced to charge additional shipping and handling. Lots indicated as being framed are shipped at the Bidder's risk.

Any attempt to assign or transfer any such rights shall be absolutely void and unenforceable. No third party may rely on any benefit or right conferred by these Terms and Conditions of Sale.
35. If the Bidder fails to comply with one or more of these Terms and Conditions of Sale, then, in addition to all other remedies which it may have at law or in equity, Superior may at its sole option, either (a) cancel the sale, retaining all payments made by Bidder as liquidated damages, it being recognized that actual damages may be speculative or difficult to compute, or (b) sell a portion or all of the lot(s) held by Superior, in a quantity sufficient in the opinion of Superior to satisfy the indebtedness, plus all accrued charges. More than one such sale may take place at the option of Superior. Notice of the sale shall be by U.S.P.S. Certified Mail, Return Receipt Requested to the address utilized on the Bid Sheet, Auction Consignment and Security Agreement or other last known address by Superior. Such sale will be at Superior's standard commission rates at public or private sale. The proceeds shall be applied first to the satisfaction of any damages occasioned by Bidder's breach, then to any other indebtedness owed to Superior, including without limitation, commissions, handling charges, the expenses of both sales, reasonable attorneys' fees, costs, collection agency fees and costs and any other costs or expenses incurred. Bidder is also liable to Superior if the proceeds of such sale or sales is insufficient to cover the indebtedness.
36. These Terms and Conditions of Sale and the auction shall be construed and enforced in accordance with, and governed by, the laws of the State of California, regardless of the location of the Auction Sale.
- Bidder acknowledges and agrees that the competent courts of the State of California shall have exclusive jurisdiction over any dispute(s) arising hereunder, and Bidder hereby agrees that any dispute arising hereunder shall be litigated exclusively in the courts of the State of California, regardless of any party's current or future residence or domicile. Bidder further agrees that venue shall be in the Superior Court for Los Angeles County, in the State of California.
37. If any section of these Terms and Conditions of Sale or any term or provision of any section is held to be invalid, void, or unenforceable by any court of competent jurisdiction, the remaining sections or terms and provisions of a section shall continue in full force and effect without being impaired or invalidated in any way.
